## *HYBRID COMPUTER WORKSTATION ERGONOMICS*

---

### *About Our Topic and Speakers...*

Please join us to talk about ergonomics at home, in the office, and/or both. There is a mix of information about what direction office work places are going and how to assist them to prevent injury and improve comfort. Our special guest speakers will share how they have been handling remote ergonomics for their computer users and plans to bring employees back to the office full time or part time.

#### **Our speakers are:**

Leslie Pickett, Beta Healthcare Group

Katie (Jue) Seid, Stanford University

Yvonne Olson, Kensington

Ruby Antonio, Office of the President, University of California

Mike Gugino, Idaho State Fund

---

### *Thank you to our sponsor...*

## Kensington®

Kensington identifies areas where the modern workplace needs to be better and craft professional-tier product solutions for organizations committed to inspiring their workforce to perform at its peak.
