An open forum facilitated by the ERT Sacramento board—bring your questions and your field experience.

1

Examine the RTO landscape - How California's return-to-office mandate is reshaping government workplaces, workforce expectations, and day-to-day operations.

2

Assess workplace health impacts - Ergonomics, safety, well-being, accommodations, and workplace readiness as employees return.

3

Share field perspectives & what's next - What safety and ergonomics professionals are seeing across California — and what to plan for.
