

**Ergonomics Roundtable of
Sacramento Presents:**

When: **May 12, 2016
9:00—11:30**

*A Roundtable discussion of
“Performing Ergonomic Assessments”*

Have you ever wanted to see how others do ergonomic assessments? Many of us do ergonomic assessments, but we all have our own style, backgrounds and personality. Here is a chance to see share information and ask questions with other ergonomic evaluators.

We will share information and questions gathered ahead of time, and discuss the various aspects of doing an ergonomic assessment. We will also share the assessment form or report formats that other members use, from our members that are willing to share.

Anyone needing help with a “problem case” feel free to share this with the group for discussion.

Where:

**2424 Arden Way,
Room 450
Sacramento, CA**

Parking is FREE. Drive to the back parking lot and enter the building on the corner.
